

Wildcat Run Golf & Country Club

This 2 year old home has it all! The floor plan features 3 bedrooms, 3 full baths, formal dining room, huge great room, den/office room and a 3 car garage. This luxury home is open, spacious, and has functional floor plan designed perfect for entertaining and family enjoyment. The large gourmet kitchen with granite counter tops, custom cabinetry, a huge walk-in pantry, double oven and gas stove is any chef's delight! The outdoor living space is expansive with lots of covered seating, an outdoor kitchen, pool and spa overlooking the scenic golf course. The home has many added features beyond the high standards of the builder: climate controlled portion of 3 car garage, custom closet organizers for Master Suite, Plantation Shutters, ceiling fans/lighting fixtures and additional landscaping for privacy.
