

Charming, Country-Like Setting

Located in a charming, country like setting, this home is perfect for someone wanting to downsize or for the first time home buyer who will find this jewel of a house move-in ready!

Gleaming hardwood flooring in the three bedrooms as well as the large living room, new interior paint, remodeled bath in 2016, and all around immaculate state of this home makes it a cut above the normal house in this price range! Sellers have provided new toilet, new sink and new shower head for the bathroom in the basement. Retractable deck awning, fenced rear yard, and neighboring wooded areas provide for a serene haven. Freshly painted full basement provides ample storage as well as a clean, well lit place for a workroom for the hobbyist, etc. The eat-in kitchen has a new dishwasher and comes with a stove and refrigerator. A very simple house but lovely!
